3. In a world fraught with violence it is often difficult to believe that "peace on earth" is achievable. Henri Nouwen says "Instead of being a dream, it challenges us to anticipate what it promises. Every time we forgive a neighbour, every time we make a child smile, every time we show compassion to a suffering person, every time we offer care to tame or wild animals, create beauty in our homes and gardens and work for peace and justice among peoples and nations we are making the vision come true."
4. I would like to thank the Deacons, our moderator and my church family for the kind words, cards and gifts I received at the lovely reception. I was overwhelmed and want you to know that you all mean so much to me and I will continue to be there for you. May God bless you all. Rev. Liz
