

Give it up for the Earth!

GIVE IT UP FOR THE EARTH!

A faith-in-action campaign to increase climate justice in Canada.

Citizens for Public Justice (CPJ) invites you to **Give it up for the Earth!** from February 14 to March 29, 2018.

For 40 days, commit to make changes in your life to reduce your greenhouse gas emissions.

Many Christians mark Lent by "giving up" a bad habit or distracting practice. During the 40 days leading up to Easter, this symbolic sacrifice provides space to reflect and refocus, tune-in to our Christian calling, and renew our commitment to God. This year, why not focus your Lenten fast on preserving God's creation?

For example:

- walk instead of ride;
- reduce use of plastic grocery bags;
- buy less, local, or used;
- reduce use of electricity;
- upgrade windows, doors, lighting;
- cut waste;
- understand government policy on the use of fossil fuels and the environment and make your voice heard.
