Also, dental care was denied in some settings to determine if malnutrition had a bearing on cavities and gingivitis.

## **Exciting New Project for Port Williams Baptist Church!**

On Sunday, Oct. 21st, 8:00 p.m., our church is launching the Historic Port Williams 2019 Calendar, "The Golden Age of Sail".

It is a Fundraiser for the Baptist Church 150th Anniversary.

It is **unique** for this church and the Village of Port Williams.

It celebrates our history and why we were a vibrant shipping destination.

Local businesses are funding each month and are pleased to be included in this Project. Please express your appreciation when possible.

### **\* All Proceeds go to the Church!**

The "launching" features Ken Bezanson's multimedia presentation of the "Golden Age of Sail" as an introduction to the calendar. This is followed by Sales by "the Calendar Girls" and The Grand Reveal!

**THANK YOU!** to those who are:

1. distributing promotional posters for this launching and sales.
2. willing to sell 5 or more calendars per volunteer.

Order Forms are available in the Lobby [with instructions]

3. using social media to advertise this event and sales.
4. networking former church members, residents and relatives to purchase this nostalgic calendar.

This is a **COMMUNITY PROJECT** and we need everyone's input and cooperation to make it a "bounding" success!

The postcard's message includes thanks for the federal government's establishment of a national poverty reduction strategy and encouragement to continue with legislation, strategy and funding to eliminate poverty for all Canadians. this is a way we can join with others in making a difference for all Canadians.
