The Archives Committee is gathering material relating to our church's history. There will be a place in the church where all this material will be stored for safe-keeping so that in future our history will be organized and easily-accessed. In addition to the historical material already on hand, the committee would be happy to accept old pictures, documents, and any other material you may be wondering what to do with and wish to put in a safe place. Please contact Pat Davis, Laraine Jagoe or John Churchill.

The new directory will be coming out in March. Please email any changes in your information to office@pwubc.org. A copy of the current directory is on the entryway table, if you'd like to verify that your information is accurate.

Cuba – Ron and Carol will be going there on **February 16th**. We have been asked for shoes (sport) all sizes in good repair. T-shirts, tank tops (all sizes), children's shorts and adult short sleeved shirts. Medicines are already looked after and we have been given a large quantity of cloth fabric to take.
