The Worship of God

Opening Meditation

A call is more like an ongoing dialogue. It is a relationship that grows and changes and matures throughout a lifetime. It can be clear and resonant at times, and silent and subtle at other times.

Invocation

Jesus Calls Us

562

* **Litany:**

O Lord our God, we come together with songs of praise in our hearts, because of your unfailing love and faithfulness.

Even though we struggle with life's issues, your mercy blesses us.

Listening God, we come together with prayers of thanks in our hearts, because you hear and answer our prayers.

Even though life is sometimes difficult, your strength blesses us.

Welcoming God, we come together in reverent worship filling our minds, because your faithful love endures forever.

Even though we are fragile people who sometimes feel lost and abandoned, God's love blesses us and never changes. Thanks and praise be to our glorious God for ever and ever. Amen.

Prayers of the People of God Don Flowers

Response “Come and find” **374 vs. 1**

Come and find the quiet centre in the crowded life we lead,
Find the room for hope to enter,
find the frame where we are freed:
Clear the chaos, and the clutter, clear our eyes, that we can see
All the things that really matter, be at peace and simply be.
